

## **Press release**

Confederation of Indian Industry (CII) in association with Ministry of Railways, Government of India, is organizing Asia's largest event for the Rail Transportation Sector '13th International Railway Equipment Exhibition (IREE) 2019', scheduled to be held from 22-24 October 2019 at Aerocity, New Delhi.

IREE is held biennially and is the only International show in India for the Rail Transportation Sector with the active participation and close association of Indian Railways both at the Exhibition and Conference. IREE has expanded phenomenally, both in terms of scale and quality of its participants – exhibitors as well as visitors.

IREE 2019 will provide an opportunity to be part of the current initiatives of the largest ever modernization and expansion plans of Indian Railways. While the exhibition will provide a platform for showcasing the latest technological advancements, new products and innovations directly to the large number of decision makers from Indian Railways to be present at IREE 2019.

Germany is the Focus Country in this year's edition and it will showcase its technologies and products at the exclusive German Pavilion at IREE 2019. IREE 2019 will have country level participation from China, Japan, Germany, Russia, Korea, etc. in a big way and is expected to be the largest ever show with participation from around 20 countries.
