

## AERO INDIA - 2015

1. Aero India is a biennial air show and aviation exhibition held in Bangalore, India at the Yelahanka Air Force Station. It is organized by Defence Exhibition Organisation of the Ministry of Defence. The Defence Ministry of India, Indian Air Force, Defence Research and Development Organization (DRDO), Department of Space, the Union Civil Aviation Ministry and other such organizations join hands to organize the Aero India show, making it the largest air show in Asia.

2. The **10<sup>th</sup> edition** of this exposition is scheduled to be held from **18 to 22 Feb 2015** at **Air Force Station, Yelahanka, Bengaluru, Karnataka State**. A number of countries and companies showcase a wide range of products and technologies in the show. The show provides an ideal platform for showcasing the latest developments in aeronautical/ aerospace defence systems available globally.
