

**Embassy of India
Doha, Qatar**

The following four certificates are necessary *for PUBLIC HEALTH CLEARANCE* of Human Remains:-

1. **Death Certificate**

- (a) Death Certificate by the health department of the concerned country- clearly mentioning the cause of Death.
- (b) If the cause of death is mentioned as Cardio-respiratory arrest or natural death or pending or to be ascertained after post mortem then such death certificate become invalid or
- (c) If not possible to clearly mention the exact cause of death because of some unavoidable reasons-

Then in all such situations as mentioned in above two points- the health department of the concerned country may issue a certificate stating “the person has not died because of the infectious/communicable/ Notifiable disease”

2. **Embalming Certificate.**

3. **NOC from the Indian high commission of the concerned country.**

4. **Copy of the Passport.**

All the above four certificates has to be in **English** or translated in the English by the authorized translator.

The Health NOC will be provided only if all the documents in original & photocopy (Both original & English translated copy) are presented to the health Officers at MI Room of APHO near immigration counters in arrival at T-3 of IGI Airport Delhi at the time of actual arrival of Human remains.
